LITTLE MARY PICKFORD RETURNS TO POPULAR THEATER THIS WEEK

Mary Pickford, "America's Sweetheart," who elects to remain in the "silent drama" at annuity of \$25,000 rather than return to the "legitimate" stage.

Winsome little Mary Pickford, known as the "Maud Adams of the Movies," as "America's Little Sweetheart," and by a hundred and one endearing names, is returning to Honolulu. As a member of the cast of "Blair's Greater Photo Plays," Mary Pickford won the hearts of Honolulu when she appeared in "In The Bishop's Carriage." In "Caprice," she is still better cast and should increase her popularity many-fold. She will appear at the Popular theater for one week commencing with Wednesday's matinee.

Sometime ago an effort was made to take Mary away from the stars of the Famous Players Film Company, a larger salary being offered—and she is receiving \$25,000 a year from the Famous company. Several offers, also, have been made to this charming little actress to return to the "legitimate" stage. However, she has turned a deaf ear to all and has elected to retain her Queenship of the silent drama. She announces emphatically that she will remain indefinitely with the Famous Players Film Company, an announcement which is received with pleasure by all who are acquainted with the work of that concern.

In speaking of this decision Miss Pickford said: "My decision to remain with the Famous Players Film Company should not be surprising, for two substantial reasons. After my connection with David Belasco in 'A Good Little Devil,' and my more recent association with the Famous Players I could not consider any other affiliations without going backward instead of forward. From close observation and direct knowledge I am certain that the artistic policy of the Famous Players is far in advance of any other film concern with whose purposes I am familiar. 'I am very proud and happy to know that Mr. Zukor has enough confidence in me to let me play some of the great parts that have been made famous on the stage, and I deeply hope my work will please the vast motion picture public, whose encouragement and kindness are my greatest inspiration.'"

'THIRD DEGREE' AT YE LIBERTY

Honoluluans will have only two more opportunities of witnessing "The Third Degree," the famous expose of police tortures made by Charles Klein in his novel and play of the same name and which will conclude its run tomorrow night at Ye Liberty theater. This is one of the most sensational delineations of police methods in forcing confessions from criminal suspects ever thrown on the screen and the truthfulness of the expose is attested by the fact that the allegations made in the pictures were never denied by the police officials of big cities, but on the other hand brought such a storm of protest from the citizenry that much of the tortures formerly inflicted have been entirely eliminated from jails and prisons.

Nourishment alone—not drugs or alcohol—makes blood—and Scott's Emulsion is the essence of medical nourishment free from wines, alcohols or opiates.

MANY SECRETS OF STAGELAND SEEN IN EMPIRE BILL

With every one in the picture connected with the stage, giving opportunity for a number of popular stars to display more than ordinary histrionic talent, and surrounding and supporting them a varied assortment of people identified with stageland, there is abundant theatrical atmosphere brought to the fore in the big special feature, "The Shadow of the Stage," to be shown for the first time at Honolulu at today's matinee and evening performance at The Empire theater. The setting is found for a capital story that is a credit to its author, and the company that so cleverly interprets his work. The picture, containing a decided touch of romance as well as a strain of pathos, is continually interesting throughout its several reels. Besides good acting, it has the asset of adequate staging and clear photography.

The fine new Wurlitzer orchestration, with its 30 varieties of melody and effects, has now made its bow to patrons at the Empire theater beginning with Saturday afternoon and evening. Under the manipulation of a skilled musician the instrument charmed a packed house. Some of the finest music in the city is now available with the assistance of this remarkable melody producer.

PROF. AND MRS. HORNE VISIT IN NORTHWEST

Mr. and Mrs. Perley L. Horne and son Robert arrived from Honolulu last week for a visit with Mr. Horne's cousin, Fred G. Abbey and family.

For the past ten years Mr. Horne was superintendent of the Kamehameha schools in Honolulu.

This is a big private school, richly endowed by a Hawaiian princess for the education of her people. It is the leading vocational and industrial school of the territory.

Mr. Horne has decided to locate in the states and plans to engage in fruit raising near North Yakima in the near future. —Anacortes (Wash.) American.

BOSTONIANS ARE NOW COMMENCING THEIR LAST WEEK

The Juvenile Bostonians will tonight enter on the last week of their engagement at the Bijou theater and for tonight only will by special request give a revival of "My Tango Maid," which was one of the biggest successes scored by the youthful performers during the past engagement which has been one entire great success.

"My Tango Maid," as the title suggests, is replete with pretty, fascinating, graceful dances, to an accompaniment of tuneful melodies and charming songs. The costuming and scenic effects are also among the most elaborate in any of the Bostonians repertoire. The dancing of the real tango Argentine is a pretty feature.

All the principals, including Thom Hellen, Ina Mitchell, Billie O'Neill, Halcyon Clark, Dottie Canfield, Stubby Myling and the others are well cast, with Ina Mitchell in the title role.

Beginning tomorrow night and continuing for three nights, the Bostonians will utilize as a vehicle for their fun making a review of the Honolulu political situation entitled, "Running for Office." This promises to be the biggest laugh-getter which the Juveniles have yet put on.

MOTHER! THE CHILD IS COSTIVE, BILIOUS

Don't hesitate! A laxative is necessary if tongue is coated, breath bad or stomach sour.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels, without griping, and you have a well-playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels, and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," and then see that it is made by the "California Fig Syrup Company." Don't be fooled!—advertisement.

Owing to the delay in the construction of a new concrete school building, St. Louis College has postponed opening the fall term from August 31 until September 7. The Academy of the Sacred Hearts, Kaimuki, and the Convent of the Sacred Hearts, Fort street, will open August 31. It is estimated that more than 25,000 boys and girls will be in attendance at the different schools throughout the territory during the coming school year.
